● **X0039291** Red trigger

CLEAN WATER CLEANING > This is a concentrated product that requires diluting before use; It is recommended to apply the disinfectant after a previous cleaning process. Apply the diluted product (via trigger spray or mopping) to the surface to be disinfected, leave surfaces wet for 5 minutes. The surfaces can be allowed to dry naturally.

Some of our chemicals contain biocides. Use biocides safely. Always read the label and product information before use.
